FUNERALS IN ASPARISH: IMPORTANT FOR ALL TO KNOW!!!

Funeral Masses and Funeral Liturgy of the Word Services in ASParish are an incredibly special ministry to our faith family. Over the years there have been made preferences to how a family celebrates a loved one after they have passed.

As a parish it is important that we administer to the needs of a family in facilitating a beautiful outreach and to ensure that their celebration options include having a Funeral Mass at their faith church, and or a Funeral Liturgy of the Word. We want to ensure families are aware that a funeral in All Saints Parish churches can be a Funeral Mass or a Liturgy of the Word Service. This allows families to have funerals from their home church and choose the best option for their family.

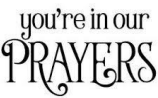

It is most important that families are aware that the church does not charge for the use of a church for a Funeral. Although families may make donations to a church or a Presider, to show their gratitude.

As this ministry is tremendously important to our parishioners in serving others, we will be developing this ministry in the next 6 months to provide an even more compassionate, welcoming, and supportive role in the ministry to families when they have lost a loved one. Ideas and suggestions are also welcomed to ensure that we meet the needs of our parishioners and be an empathetic church.

If you are planning a funeral for a loved one, please contact our Office at 902-667-3923 and we will be present with your family and assisting you with plans and to provide the support you need during this time.

We are forming Funeral Teams throughout Cumberland County to assist in the funeral ministry to our parishioners and their families. If you are interested in being on a funeral team for your church community, please contact your Church Life Committee and provide your name, phone # and email for follow-up formation or contact the office at pastoral@allsaintsparishcc.ca or at 902-667-2523.

ALL SAINTS PARISH – FAMILY & YOUTH:

ASParish has programs for youth and families.

Our CLASS for Pre-School to Grade 6 – happens on **Sundays at 10 – 11am** at Holy Family Church with a ZOOM link in for families who live in our Cumberland County parish area and wanting to be part of the program

Attending church is a part of the JAM program.

Without the attendance at church, the JAM program and Sacramental preparation becomes only a Recreational Program. As Catholics, our faith is built on the Eucharist of JESUS and therefore all the formation we experience is in communion with the experience at the altar, with JESUS, in His presence. All else is empty without the Mass to connect everything together. We ask families to check the Mass Service schedule to find a time and location that fits your schedule to compliment the experience of JAM and Sacramental Preparation.

ASParish has programs for youth and families.

ALL SAINTS PARISH – MASS and LITURGY:

Communion to the homebound:

Fr. Gregory spoke at a recent meeting about taking communion to the homebound. He indicated that our practice of having parishioners return to their seat with the pyx ought to change to allow for proper reverence to be shown toward the Eucharist. This includes the time spent transporting and handling holy communion.

Those who take communion to the homebound are asked to leave the Church immediately after receiving communion. You should go directly to distribute communion to the parishioner. This means those taking communion to the homebound miss the final prayers and dismissal to serve the needs of those who cannot be present at Mass/Service.

Feast of St Blais

The Feast of St. Blais is February 3rd. Saint Blaise was a physician and bishop of Sebastes, Armenia. The annual Blessing of Throats is a traditional sign of the struggle against illness in the life of a Christian. This year, we will revive this tradition at Holy Family Church as Fr. Gregory will bless the throats at weekend Masses on Feb. 4th and 5th.

ALL SAINTS PARISH – ARCHDIOCESE and OTHER NEWS:

Advisors With Purpose Webinar

In the fall the Archdiocese partnered with [Advisors with Purpose](#). This organization offers you the opportunity to work with an estate advisor who can help you think through decisions regarding your estate. The advisor would help create a unique estate plan that reflects your life, faith, and values. These services are **free, fully confidential, there is no obligation, and advisors will not sell you anything**. As part of the services, they offer they host free informative webinars throughout the year. Details of their first webinar of the year are below:

Your Will as a Love Letter - Lorne Jackson-January 26, 2023, at 7:00pm

Creating a will can be like writing a love letter. Thinking through your options, making good choices, and considering those you love can say more to them than you may think. Having your things in order is one way to let your family and heirs know that you love them enough to not burden them with making decisions on their own during their time of grief. What will your love letter say? Will it share your hopes and dreams for those you love? Will it speak of your faith and values? Will it share your heart for generosity? Our partners at Advisors with Purpose are hosting a webinar that will discuss the importance of choosing the right executor, powers of attorney and having a living will/personal directive. The presenter will provide explanations on trusts, how to speak with your family members, and some of the best ways to share with your family and heirs.

To register for this free webinar [click here](#) or email: register@advisorswithpurpose.ca.

2023 PARISH PILGRIMAGE AND POTLUCKS:

The ASP Pastoral Council has begun planning a 2023 Parish Pilgrimage for parishioners to join in as an effort to get to know our parish family throughout Cumberland County and assist in building Parish Unity and Identity. The council is excited about this opportunity to come to each church neighborhood, share in Mass, enjoy a potluck meal and maybe even some music. **The success of our Parish Pilgrimage depends on our parishioners.** The CLCommittees in each community will be planning their own potluck event. It is hoped these potlucks will be hosted around the Feast Day of each church; however, we will have to adapt due to weather and some locations using their halls at this time for Mass and Lay Services throughout the winter. There will be more information coming, however it is our greatest wish that as many as possible of our faith family plan to join in this Pilgrimage throughout Cumberland County. Watch for more news in the next bulletins!

The ASP Finance Council has completed its Budget for 2023. The plan is a **5% increase in income and a 5% decrease in expenses.** As the council works to achieve this budget goal, we ask you to assist us in working towards this goal together.

If you have ideas or suggestions for fundraising or income producing activities for the parish or local church, or if you have input to reducing the overall expenses of our community, we would like to hear from you.

Once the 2022 YEAR END Financial Report is completed, presentations will be set to communicate details to the parish at each church.

Consider supporting your faith family financially as we try to recover from the impact of COVID on our faith community – so that we can continue to serve the communities of ASParish.

Contact finance@allsaintsparishcc.ca to set up PAR.

Donations can be made in person at the Central Office, by e-transfer to finance@allsaintsparishcc.ca (noting what it is for), by mailing a check to the Central Office or please consider setting up a PAR - automatic withdrawal from your bank account or credit card to assist in our financial support.

This can begin starting on the weekend of January 21st/ 22nd and any palms being collected should be brought to the Central Office by February 17th to be burned. THANK YOU
